

!! ATTENTION GUESTS OF HEAVEN SALON !!

As you may have heard, Virginia Governor Ralph Northam has ordered all non-essential businesses to temporarily close for 30 days.

🌂❤️ With a heavy heart, as of today March 24, we are closed until we hear otherwise.

All reservations that are already currently booked are at the top of our priority list; we will be calling to reschedule you as soon as we get the go ahead to reopen.

✂️ If you are in need of your professional products, simply email info@heaventhosalon.com or Facebook message us! We will be shipping out orders once per week (no-contact delivery may be available as well).

😊 You can still show your support for the Heaven Tribe during this difficult time by buying gift cards and products. We're still here for you! Any hair questions or concerns please contact us and we'll get you solutions as quick as we can.

⚠️ PLEASE do not attempt ANY form of color while at home! Home color is NEVER a good idea. Not only can this damage your hair extensively- it's very expensive to fix. Tinted dry shampoo works great to cover up that regrowth!

This is the perfect opportunity to use your deep conditioning treatments, cut back on hot tools & treat your strands super well. For blondes, use your Paul Mitchell Platinum (shampoo, conditioner + toning spray) to neutralize warmth.

We greatly appreciate your business and we promise to keep you updated with any new information.

Please stay strong and safe! 🙏

🛒 eGift Cards are available online here: <https://na0.meevo.com/EgiftApp/order?tenantId=100908>
